

# 6' Pass Through Anchor Strap w/ Wear Pad

Part# 8736P

SPECIFICATIONS  
PAGE 1 OF 1

## DESCRIPTION

The Safe Approach pass through anchor strap features heavy duty 10,000 lb rated webbing for extra strength and durability. The polyester webbing resists uv and chemical degradation. It also features a 3" wear pad for longer life in harsh environments. It features a anchor d-ring compatible with all lanyard hooks and a larger pass through d-ring for cinching.
