

Portable “Crow’s Foot” Three Piece Base Part# 00697-B

SPECIFICATIONS
PAGE 1 OF 1

DESCRIPTION

The three piece “crow’s foot” base is designed to be used with the standard Safe Approach 22” offset mast. Built from powder coated aluminum, it features a light weight design and quick easy leveling with only one adjustable leg. The base can be disassembled for storage. The “crow’s foot” base is a perfect fit for round manhole applications.
